## DISCUSSION QUESTIONS

1. How has this season of advent started for you?
2. Have you seen a time when God took you in an unexpected direction to bless you?
3. What is so hopeful about the story of God keeping his promise, even in the details of Joseph's bones?
4. Why do you think it can be so hard to believe that God is with us?
5. How does God's word, God's spirit, and God's church help to encourage your faith? Any tangible examples?
6. Why is it such good news that God goes before us?
