

## DISCUSSION QUESTIONS

1. Are there any highlights from your snow week?
2. Why do you think Jesus chooses to use these ordinary pictures (light, bread, door) to teach us about himself?
3. How does Jesus being the door create a sense of urgency? Why is it so important that we know this?
4. What are the other ways you might be tempted to think you can enter into heaven? (Good works, faithful church attendance, tithing, being a "good enough" person, etc.)
5. Do you ever struggle with assurance? How does Jesus as the door help with that?
6. Where in your life do you need Jesus to stand in the gap? Is it struggles with fear, doubt, obedience, strength, courage?
7. Would you consider taking James' application and putting something red on a door in your house? How might it change things to be reminded daily that Jesus is the door?
