DISCUSSION QUESTIONS

1. What thoughts first come to mind when you think about work?
2. Is it easy or difficult for you to see purpose and meaning in your work?
(Or, to feel like the idea of "work" applies to you?)
3. What can make it challenging to see your work as a place God might have you go deeper?
4. What lies from culture do you think most influence the way that you think about work?
5. What are some ways that you can look back and see how God may have been using you in your work?
6. Where is an area of brokenness in your work that God may be inviting you to step into?
7. The video highlighted 4 stories of 4 different kinds of God honoring work. What do you want your story to be?
