SNAP Response: Loving Our City

What is the SNAP freeze?

The SNAP freeze refers to the suspension of Supplemental Nutrition Assistance Program benefits affecting ~34,000 in Knoxville who rely on the program for food assistance.

Top 3 Ways We Can Respond as a Church

1. Support our Thanksgiving Box Drive.

We are currently collecting donations to fill 1,250 boxes with \$75,000 worth of meals for families in need in our local area. Our primary request is for you to Adopt-A-Box or several.

At this moment, only 306 boxes have been adopted.

2. Join the initiative to provide weekly dinners to the Lakeview Community.

Cedar Springs will begin providing weekly dinners for the month of November to the 250 residents of Lakeview Apartments starting Tuesday, November 4.

3. Support our Local Ministry Partners who are responding to the SNAP freeze.
