DISCUSSION QUESTIONS

1. Can you think of any seemingly "random" things in your life that ended up having a big impact?
2. Before the encounter with Philip, what are some ways God had already gone before the Eunuch to prepare him for this moment?
3. Philip obeys God without knowing exactly what he was up to. Have there been moments when you needed to do the same? Is there anything like that in front of you right now?
4. The Eunuch needed someone to help him understand what he was reading. Who did that for you? Who might God be leading you to do that for?
5. What does the way that Philip shared the Gospel with the eunuch teach us about sharing our faith?
6. How does knowing that God goes before you help give you courage to share your faith?
