DISCUSSION QUESTIONS

1. When has finally seeing something clearly or in its fullness brought you great joy?
2. How are your current circumstances shaping the way you approach Jesus? In what ways might those circumstances limit how clearly you see Him?
3. How does the humility that Christ shows in choosing a donkey reflect what type of king He is? What specific attitudes or actions should this shape in us as Christ-followers?
4. What are some specific ways we suffer from spiritual "face-blindness"—ways we recognize truths about Jesus, but they don't affect our hearts or actions?"
5. As we enter Holy Week, what are some ways we can remember Jesus' love for us on the cross and move beyond 'spiritual face-blindness'—where we know the truth but don't feel or live it?
6. Read Revelation 7:9–12. How does this vision of an 'eternal Palm Sunday' both encourage you and shape your love for others?
