

DISCUSSION QUESTIONS

1. What are some Easter traditions that you grew up doing or that you do now?
2. For Holy Week, we have talked about what it means to see Jesus. How have you seen Jesus coming into Easter?
3. Like the disciples sit in their fear and guilt in this locked room, how might you sit in your fear and guilt? What are you afraid of and how do you try to manage it?
4. When the disciples see Jesus, they see him standing, speaking, and his scars. Which of these sticks out as the way you need to see Jesus right now?
5. Our lives look differently when we truly see Jesus instead of just "seeing" him. Who are some people that live differently because they truly see Him? What do you admire about them?
6. As we head out of Holy Week, how is Jesus calling you to see him differently? How might that change how you live out your faith?
