

MONTHLY MINISTRY PARTNER HIGHLIGHT

INFORM • INVITE • INVOLVE

The purpose of the Monthly Ministry Partner Highlight is to **inform** our congregation about the local ministry partners we are actively supporting. We desire to **invite** our congregation to contribute meaningfully and clearly outline opportunities for **involvement** through volunteering with the organization.

MONTHLY MINISTRY PARTNER HIGHLIGHT **APPROACH**

INFORM

We would like the congregation to be informed about who our local partners are and what their ministry does.

The Monthly Local Partner will be:

- A featured event on cspc.net/news
- Listed as a header in Saturday's email
- Included connection and/or follow-up in the Mission Newsletter
- Promoted on social media
- Included in congregational prayer
- A member volunteer affiliated with the partner will do the Scripture reading

INVITE

We would like to remind our congregation that a part of our church's tithes and offerings supports this ministry.

This will look like:

- Encouraging our congregation to contribute financially to local ministries.
- Inviting our congregation to dedicate their time to volunteer efforts.

INVOLVE

The highlighted local ministry partner will be available in the Welcome Hall on the fourth Sunday of each month.

The Local Partner will:

- Connect with interested individuals
- Answer any inquiries
- Provide further information about the ministry
- Showcase opportunities for participation
