DISCUSSION QUESTIONS

1. In light of our “Possible” series: What are you asking God to do in your life this year?
2. If Jesus approached you and asked “Do you want to be healed” of a specific area in your life, what would your response be? What does this tell you about the way you view your situation? The way you view God?
3. Who are some people that you could invite into this area of life this year to walk with you? (Encouragement, accountability, reminding you of the gospel, etc.)
