DISCUSSION QUESTIONS

1. How does hearing about the statistic of approximately 11 churches a day resonate with you? Why do you think this is?
2. How were you brought up to think about evangelism?
3. What are some of the most encouraging things that you heard in the sermon?
4. Is there a “nudge” that you’ve been feeling from the Lord lately? What is a good next step for you after this sermon? (Pray, Give, Go, share with someone that you know?)
5. How do we see Jesus model both Evangelism and discipleship in his own ministry? How can we learn from this?
6. Who is one person that you can be praying for and intentionally seeking to share the gospel with? What are some good next steps in this process?
